CENTURY 21 EPIC Valley of the Moon
 6580 Oakmont Drive
 Santa Rosa, CA 95409

This popular Bennett Mountain floor plan offers comfortable single level living with a bright and open feel. The living room features a vaulted ceiling that brings in natural light and creates an airy space for everyday living and entertaining. Fresh interior paint and new carpet give the home a crisp, move-in ready presentation, and the easy floor plan allows the living, dining, and kitchen areas to flow naturally together. A clever indoor laundry room, a feature not often found in this model, adds convenience and thoughtful functionality. A newer roof provides peace of mind, and the low maintenance setting makes ownership simple, whether as a full time residence or a Sonoma County getaway where you can lock the door and explore wine country. Oakmont is an active adult community offering golf, swimming pools, tennis, pickleball, bocce, a fitness center, and more than 150 clubs and interest groups. Residents also enjoy close proximity to Trione Annadel State Park, Spring Lake, Sugarloaf Ridge State Park, award winning wineries, restaurants, and many of the outdoor activities that make Sonoma County such a special place to live.
